November 2016

Dear Parents,

Please accept this invitation to attend the Incoming Freshman Parent Night on Monday, December 12, 2016. This program begins promptly at 6:30 p.m. and will consist of three unique opportunities where parents will learn more about their student's transition to high school. Test scores and student test booklets will also be distributed at the event.

Parents will rotate through the following sessions:

- Curriculum Fair – located in the Main gym. Teachers will be available to answer questions related to their specific departments and courses. The Viking Spirit Shop, located outside the main gym, will also be open for business.
- Counselors – topics covered will include scheduling, graduation requirements, career clusters, dual credit, electives, summer school, and role of the counselor
- Administration – information related to registration and enrollment, PSAT 8/9 scores and the placement process, and Harper's Promise.

Fremd's administrators, counselors, and teachers look forward to interacting with you. We hope that the information you receive at Incoming Freshman Parent Night will help you discuss educational plans with your student and prepare him or her for the high school experience.
