Township High School District 211 policy provides that a student with parental permission may have off-campus privileges, but **only during their scheduled lunch period.**

We suggest that before granting off-campus permission parents carefully consider the following:

1. In general, students cannot be supervised while not on school premises.
2. The school provides a choice of nutritionally balanced class "A" lunch or a la carte selection.
3. Going off-campus may take away the opportunity to use the tutorial centers, test make up, guidance and counseling services, quiet study, and library service.

Other personal considerations may be necessary before deciding which alternative to choose. In granting this permission, the parents agree that they are responsible for their student's whereabouts, conduct, and welfare while away from campus.

**Off-campus is a revocable privilege.** Permission to leave campus during lunch may be revoked by an administrator for any of the following reasons:

1. Failure to obey all school rules and regulations
2. Leaving the building through any exit other than #1 or reentering the building through any exit other than #1
3. Excessive tardiness to or absence from the class period immediately following lunch
4. Overdue obligations, such as detentions, Saturday school or temporary ID fines
5. Any other misconduct related to leaving the campus for lunch

**Students with a temporary ID will not be allowed off-campus even if they have off-campus privileges.**

Parents may revoke off-campus status for their child at any time by contacting the student's administrator.

Any change in a student's status in regard to off-campus permission will require that a new ID card be issued at a cost of \$3.00 to the student.

<b>As parent or guardian, I grant off-campus lunch permission to my child. I agree to the requirements as stated above.</b>

<b>As the student, I have read the above off-campus rules and agree to abide by them.</b>

**Permission forms not returned with registration materials will require a new ID card to be printed for a \$3.00 fee.** Permission will be granted at this time upon confirmation with the parent, but the privilege will not take effect until the new ID is printed.
