

May 2017

Dear Parents of Class of 2017,

Excitement about graduation continues to build as seniors approach the end of their high school careers. Thank you for your continued support and feedback regarding our One-to-One program. District 211 is providing graduating seniors the opportunity to purchase their currently assigned iPad. With strong interest, we have extended the deadline for purchase to May 12, 2017.

### Details:

- **Who is eligible to purchase:** Your student must be in good standing relative to graduation requirements and all outstanding school obligations must be satisfied.
- **What iPad will they be purchasing:** Students may purchase their currently assigned iPad which will be either an iPad 4 or an iPad Air. Students can visit to the technology department to confirm the specific model they have been assigned.
- **Cost:** iPad 4 - \$125, iPad Air - \$150
- **What is included in the purchase:** The purchase will include the iPad, case, lightning cable, and charging block. No replacement will be provided for lost or damaged accessories.
- **What is the deadline for purchase:** Payments must be made in-full no later than May 12, 2017. **No payments will be accepted after May 12, 2017**
- **How can purchases be made:** The iPad can be purchased either online through the Parent Portal or directly at the building cashier. To purchase online, login to the Infinite Campus Parent Portal. Click on Registration and Lunch Prepayment then go to "Misc Fees". iPad Purchase will be an option to select.

### What happens when the iPad is purchased?

- Upon receipt of payment, all District-owned apps and licenses will be staged for return to District ownership.
- District-owned apps and licenses will be removed from the iPad on May 26.
- After District-owned apps and licenses have been removed, District 211 relinquishes responsibility for the iPad and its accessories. Additionally, the District 211 iPad Protection Plan coverage will end and technology support for the device will not longer be provided through the District.
- To prepare for the purchase, the student should begin backing up the iPad and data consistently to Google Drive or another personal online storage service. Best practices on protecting your data will be provided via Schoology and a future email.

### What if a student doesn't want to purchase the iPad?

Graduates who do not purchase their assigned iPad are required to turn in the iPad, case, power cord, and charging block (in working condition) no later than May 17, 2017.

The school's technology team will review the physical status of the iPad, charging block, power cord, and case. Final costs for damages or replacement are dependent upon participation in the optional District 211 iPad Protection Plan.

Repair and replacement costs will be assessed as shown in the chart on the reverse side of this letter.
